

Amendments to the Drawings:

The attached replacement drawing sheets contain Figs. 1, 2a, 2b and 3 that are identical to originally filed Figs. 1, 2a, 2b and 3. The replacement sheets replace Figs. 1a, 1b, 2a, 2b, 3a and 3b incorrectly submitted with the June 26, 2005 Amendment.

Attachment: Replacement Sheets

REMARKS

Claims 1-3 and 5-12 have been allowed.

By this Amendment, Figs. 1, 2a, 2b and 3 are submitted to replace Figs. 1a, 1b, 2a, 2b, 3a and 3b submitted with the June 26, 2005 Amendment.

As discussed during an August 1, 2005 telephone interview with Examiner Ham, Figs. 1a, 1b, 2a, 2b, 3a and 3b submitted with the June 29, 2005 Amendment were incorrectly submitted. The originally filed Figs. 1, 2a, 2b and 3 need to be re-submitted.

As agreed to during the August 1, 2005 telephone interview, the Figs. 1a, 1b, 2a, 2b, 3a and 3b submitted with the June 29, 2005 Amendment have been canceled so as to place the originally filed Figs. 1, 2a, 2b and 3 in effect. Accordingly, the originally filed Figs. 1, 2a, 2b and 3 are re-submitted herewith to confirmation cancellation of the Figs. 1a, 1b, 2a, 2b, 3a and 3b that were incorrectly submitted with the June 29, 2005 Amendment. (The originally filed Fig. 4 is also submitted, because Fig. 4 shares a same sheet with Fig. 3.)

In view of the above, this Amendment does not affect the patentability of claims 1-3 and 5-12. Claims 1-3 and 5-12 thus remain in allowable condition. Applicant respectfully requests entry of the re-submission of originally filed Figs. 1, 2a, 2b and 3 under Rule 312. No new matter is added.

Entry of the re-submission of Figs. 1, 2a, 2b and 3 is needed for proper disclosure and protection of the invention. No substantial amount of additional work is required on the part of the Office because, as indicated above, such an entry does not affect patentability and has been agreed by the Examiner. Accordingly, entry of the re-submission of Figs. 1, 2a, 2b and 3 is proper.

In view of the foregoing, it is respectfully submitted that this application remains in condition for allowance. Should the Examiner believe that anything further would be

desirable in order to keep this application in condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
